KOREDLA SAI SEVITHA

B.Tech in Artificial Intelligence and Data Science

+91 8019182767 | koredlasaisevitha@gmail.com | LinkedIn | GitHub

CAREER OBJECTIVE

Motivated and enthusiastic Artificial Intelligence and Data Science undergraduate passionate about programming, data structures, machine learning, and emerging technologies. Seeking opportunities to contribute to real-world projects and grow through collaborative learning, research exposure, and innovation-driven environments. Dedicated to continuous learning and applying theoretical knowledge to practical problem-solving scenarios.

EDUCATION

Indian Institute of Information Technology (IIIT), Sri City
B.Tech in Artificial Intelligence and Data Science
CGPA: 8.18

TECHNICAL SKILLS

Programming Languages

- C
- Python
- Java
- SQL

Core Areas

- Data Structures and Algorithms (DSA)
- Object-Oriented Programming (OOP)
- Machine Learning
- Deep Learning
- Natural Language Processing (NLP)
- Problem Solving

Tools & Technologies

- Visual Studio Code
- Git / GitHub
- Linux (Beginner Level)
- Generative AI APIs (Gemini)

Areas of Knowledge

- AI Fundamentals (IBM SkillsBuild)
- Basics of AI Applications and Use Cases (NIELIT / Skill India)
- Blockchain & Web3 Fundamentals (3-day workshop)

PROJECTS

Study Agent *(Team Project)*

- Worked on the Retrieval-Augmented Generation (RAG) implementation for note making and doubt solving features.
- Developed document retrieval and context-based response generation pipelines, gaining practical experience in NLP and AI-based educational systems.

TrueTraffic AI *(Personal Project)*

- Built an AI-powered road safety and route-intelligence platform for Visakhapatnam with real-time risk scoring and Gemini AI explanations to recommend the fastest and safest routes.

Project README Agent *(Personal Project)*

- Built an AI agent that scans an entire project folder, understands its structure, and auto-generates a clean, professional README.md, handling edge cases like empty files and nested directories.

Portfolio Website *(Personal Project)*

- Designed and developed a personal portfolio website to showcase projects, skills, and certifications.

SOFT SKILLS

Communication Skills • Teamwork and Collaboration • Initiative and Leadership • Time Management • Adaptability and Continuous Learning

INTERESTS

Machine Learning and Artificial Intelligence • Competitive Coding and Coding Challenges • Participating in Technical Events and Hackathons • Exploring Emerging Technologies

DECLARATION

I hereby declare that the information provided above is true to the best of my knowledge and belief.
