Career Objective

Motivated and enthusiastic Artificial Intelligence and Data Science undergraduate passionate about programming, data structures, machine learning, and emerging technologies. Seeking opportunities to contribute to real-world projects and grow through collaborative learning, research exposure, and innovation-driven environments. Dedicated to continuous learning and applying theoretical knowledge to practical problem-solving scenarios.

Education

Indian Institute of Information Technology (IIIT), Sri City

B.Tech in Artificial Intelligence and Data Science

CGPA: 8.02

Technical Skills

Programming Languages

- C
- Python
- Java
- SQL

Core Areas

- Data Structures and Algorithms (DSA)
- Object-Oriented Programming (OOP)
- Machine Learning
- Problem Solving

Tools & Technologies

- Visual Studio Code
- Git (Basic Version Control)
- Linux (Beginner Level)

Projects

Study Agent (Team Project)

Course Project

- Worked on the Retrieval-Augmented Generation (RAG) implementation for note making and doubt solving features.

- Developed document retrieval and context-based response generation pipelines for AI-assisted learning support.
- Collaborated with team members to integrate intelligent study assistance functionalities into the application.
- Gained practical experience in NLP, information retrieval, and AI-based educational systems.

Blockchain Voting System

Personal Project

- Developed a blockchain-based voting system to understand decentralized applications and secure transaction handling.
- Explored Web3 concepts, cryptographic security mechanisms, and distributed systems.
- Strengthened understanding of decentralized architecture and real-world system design.

Soft Skills

- Communication Skills
- Teamwork and Collaboration
- Initiative and Leadership
- Time Management
- Adaptability and Continuous Learning

Interests

- Machine Learning and Artificial Intelligence
- Competitive Coding and Coding Challenges
- Participating in Technical Events and Hackathons
- Exploring Emerging Technologies

Declaration
